## OUR INFRASTRUCTURE

### **A WORLD - CLASS FACTORY**

Situated at Manor in Mumbai, Maharashtra, our facility spans 6 whole acres. Elaborately designed, our units house the most advanced machinery. Our Quality Control Unit, Warehousing Unit, and Manufacturing Unit make up our facilities.

**A SUSTAINABLE MANUFACTURING PROCESS** All our machinery is equipped and upgraded to reduce as much heat and carbon footprint on the environment as possible. To do so, we practice water harvesting and water recycling along with partial green energy generation activities.

**A STATE-OF-THE-ART MANUFACTURING UNIT** Our manufacturing facility runs on ultra-modern machinery such as: Continuous and batch fryers, Thermic fluid boiler, American extrusion line for extruded snack foods, Fruit & vegetable preparation line, Metal detectors, Yamato Packaging machines & Wright Distribution line

## OUR REACH

We started off in Mumbai in the year 1993 with premium quality Banana Chips. Fast forward to 2011, we took our first trip abroad and ever since then we never looked back.

We have been serving all major countries like the USA, Australia, UAE, New Zealand, UK, Canada, Japan, Israel, Oman, Singapore, Africa, Qatar, Malaysia and many more for the last 10 years. Our **Packaging, Quality & Taste** has been Accepted and Appreciated all over the World.
