Wide Product Range of
750+ SKUs

Haldiram's has been a well-known company in India since 80 years. The company uses modern and updated plants to manufacture more than 250 products and product baskets comprising over 750 SKUs. Their product range includes namkeen, wafers, fryums, sweets, bakery items, chocolates, beverages, and many other latest products.

Its journey began in 1937 in Bikaner, Rajasthan, founded by Ganga Bishan Agarwal, also known as Haldiram Ji. Starting as a small shop, it gained fame for its unique bhujia recipe. Over the decades, the brand expanded its offerings to include a wide array of traditional Indian snacks and sweets. With a focus on quality and authenticity, Haldiram's transitioned from a local favorite to an international brand, establishing factories and outlets across India and abroad. Their success lies in blending tradition with innovation, maintaining high standards, and effectively catering to the diverse tastes of consumers worldwide.
