ABOUT US

Madam Agro Food Industries Private Limited is the flagship company of Shree Malad Dal Mills, established in 1961 as a sincere endeavour to make natural, healthy, and fresh food products available to every home. It has grown into the renowned name "MADAM," a name synonymous with reliability and quality. We have taken the shape of an organisation where ethics and principles are valued most.

At Madam Agro Food Industries Private Limited, we understand how meals have brought families together through the years. How it nurtures the development of individuals, families, and the nation at large. This is why we are committed towards providing unmatched-quality food products to our customers. Madam brings you the platter of rich, diversified, and authentic taste of Indian tradition through our products.

We have a holistic plant equipped with high-end technology and state-of-the-art infrastructure, along with a team of experts. The entire process of cleaning, processing, grinding, and packaging takes place under rigorous hygienic conditions.

Over the past 60 years, we have served the goodness of natural grains filled with a nutritious and healthy range of authentic Whole Wheat Flour, Specialty Cereals Flour, and Millet Flours, Rawa (Semolina), and Poha to millions of families, and the number is continually growing.

With an aim to widen our horizons, we incepted Sathvik Agro Food Industries Private Limited with a production capacity of 350 MT per day at our enormous and fully automated facility, situated in Ashta, District Sehore, Madhya Pradesh. It helps us procure unparalleled-quality wheat grains throughout the year. Sathvik provides superior-quality Whole Wheat Flour that meets our customers' expectations.

With natural and healthy food products, world-class manufacturing facilities, and a strong emphasis on hygienic and user-friendly packaging, we serve every family the nourishing taste of wholesome grains. Madam's range of millet flours, such as finger millet flour, pearl millet flour, and sorghum flour, offers gluten-free alternatives. The beauty of millet flours lies in their adaptability in the kitchen.

Explore a spectrum of food products that will compliment you with good health from the land of rich culture and diversity.
