## Baidyanath

**Ayurveda** the science of life is the traditional system of medicine in India since centuries. Ayurveda has originated from ancient Sanskrit word - '**Ayu**' (life) and '**Ved**' (knowledge) meaning dealing in essence for the maintenance of physical, mental, social and spiritual health of an individual. A life science that aimed at prevention as much as cure, Ayurveda is an understanding of the remedial powers of nature. All Ayurvedic formulations are made from extracts of herbs, fruits, seeds, roots, gum and flowers.

**Pandit Ramnarayan Sharma** made a small beginning by starting the manufacture of Ayurvedic medicines at Baidyanath Dham in Bihar in the year 1918. What began as a tiny sapling has grown into a big and reputed Institution called **SHREE BAIDYANATH AYURVED BHAWAN PVT LTD.** with five manufacturing units located at • Kolkata in 1921 • Patna in 1940 • Jhansi in 1941 • Nagpur in 1942 • Allahabad in 1958. Demand of quality medicine sprung so that three more units come up at Baddi(HP), Kashipur (U.K.) and Seoni (M.P.). All the units are armed with GMP certified and competent qualified staff. Baidyanath produces the largest range of ayurveda products with over 700 formulation, selling at over 100000 retail outlets and catering them to over 50000 practitioners.

**SHREE BAIDYANATH AYURVED BHAWAN PVT LTD.** is propagating ayurveda and social work in many ways besides quality ayurvedic medicines /Herbal/Natural products like: ● **Publications:** More than 75 publications ● **Journal:** Sachitra Ayurveda, Quaterly ● **Recognition:** Shri Ramnarayan Sharma National award to Vaidya. An award of 2 Lakh, Scholar for his (her) contribution in field of Ayurveda. ● **Ayurvedic Graduation Award:** Monetary reward to 1st, 2nd, 3rd rank holders in the final year of their degree course (BAMS) of many Ayurvedic Medical Colleges of country. ● **Medical camps:** Every month, there are free medical camps at various locations in country for patients. ● **Charity Clinic:** Clinic at Jhansi ● **Educational Activates:** Baidyanath group is running school at Jhansi and nearby areas. ● **Research Scholarships:** Baidyanath is continuously supporting research in Ayurvedic field via providing Scholarships.

Now ,Backed with decades of experience, modern infra structural facilities, state of the art technology and quality human resource, Baidyanath continues to live the role it had consumed decades ago, that of a true heir to the legacy of Ayurveda.

देश की मिट्टी, देश की हवा  
देश का पानी, देश की दवा

## Manufacturing Facilities

## Nutritional Supplements in Ayurveda

- Baidyanath group has got 100+ years of legacy of manufacturing Ayurvedic Medicines, nutritional supplements & herbal formulations i.e. over 700 products.

- Many Ayurvedic formulations have tremendous nutritional benefits such as Baidyanath CHAYAWANPRASH Special, KESARI KALP & CHAWANFIT, Herbal juices, Ready to drink juices (energy drinks) such as LADAKH BERRY JUICE, WHEAT GRASS JUICE, etc. At Baidyanath, we believe in offering a quality life, good health, and well-being.

- During the covid pandemic, the Baidyanath group conducted a clinical trial of sugar-free CHAYAWANPRASH on a group of mild & asymptomatic covid patients in collaboration with MAHARANI LAXMI BAI MEDICAL COLLEGE, JHANSI & MPREX HEALTHCARE PVT. LTD & found a significant reduction in clinical symptoms of these patients as compared to those patients who were given the standard treatment alone. No Patient admitted in the trial suffered any Serious Affects or Complications of Covid.

- BAIDYANATH RESEARCH FOUNDATION has developed Ayurvedic nutritional supplements.

- Ayurveda lays a great emphasis on the quality of nutritious food, because "WE ARE WHAT WE EAT". Therefore, there is No Wonder that Ayurvedic Nutraceuticals, Ayurvedic Nutritional Supplements & Functional food and Ayurveda Aahar are gaining fast market acceptance for Preventing the degenerative changes caused by aging and thus delaying the aging process (Rasayana-Ayurvedic nootropics like Baidyanath Chayawanprash Special and, KesariKalp) Post-illness/convalescence phase nutrition (Balya Ayurvedic – such as Ashwagandha, Turmeric, Tulsi & Shatavari)

- Enhancing Immunity. (Products like – Amla, and Giloy)

- Maintaining stamina for sports persons and also for Vigor & vitality (Products like – Vita Forte capsules containing Shatavari & Musli & Ashwagandha Pak)

- Fighting malnutrition among children (Products like Balamrit & Shankpushpi.

## R & D

- Baidyanath has its own research wing known as Baidyanath Research Foundation (BRF) with a well - qualified team of Technical staff, Doctors & Scientists work in well equipped laboratories.

- BRF is currently focusing on single and multiple ingredients, active ingredients, nutritional herbal health supplements & herbal cosmetics products. Collaboration with the following leading.

## Research Institutes

- BHU, Varanasi.
- Department of Science & Technology, Allahabad University
- Department of Biomedical Sciences, Bundelkhand University
- Central India Institute of Medical Sciences, Nagpur
- Working with Mahayogi Gorakhnath University, Gorakhpur to grow a garden of medicinal plants.
- Maharani Laxmi Bai Medical College, Jhansi

## Awards & Achievements

- The Highest Ayurveda Research Award, **Pt. Ram Narayan Sharma National Award** is presented by The Honourable President/ Prime Minister of India for the last 40 years.

- Baidyanath has been extending financial assistance to **Institutions, Research Centres & Hospitals.**

- Encourages students of “**AYURVED**” in several Ayurvedic Medical Colleges across the country by giving away **Monetary Rewards/Scholarships.**

- Baidyanath group has Recently started the **Baidyanath Research fellowship program** for PG and Ph.D. Worth over **Rs 4 Million for students of Bundelkhand University.**

- Baidyanath also publishes a quarterly research journal '**Sachitra Ayurved**' with chronicles the latest findings of the R&D wing i.e. BRF.

- Baidyanath Book “**Ayurved Sar Sangrah**” is approved in Schedule I of the D & C act.
