ABOUT VARNI MULTIFOODS PVT. LTD.

Established in 2014, Vadalia Foods has been delighting taste buds for over 10 years. Now, Varni Multifoods Pvt. Ltd. has taken over this trusted brand, and with our experienced and passionate directors, we promise to serve even better quality, taste, and innovation. Based in Rajkot, the brand continues to uphold its legacy of authentic Indian snacks. True to the motto "Flavour Forever," traditional recipes are brought to life with a modern twist, making every bite a delight.

OUR VISION :

To grow Varni multifoods pvt. Ltd. into a leading name in the food industry by expanding into beverages, frozen foods, and other ready-to-eat products, while staying true to authentic flavors, premium quality, and exceptional customer satisfaction. We aim to delight taste buds and create memorable snack experiences for every household.

OUR MISSION :

To create snacks that delight every palate, combining traditional flavors with modern production standards, ensuring quality, taste, and excellent service.

OUR PRODUCTS :

From crispy wafers and crunchy fryums to flavourful namkeen and tasty farsan, our ready-to-eat snacks are made to satisfy every craving. Using only the finest ingredients, they deliver authentic taste, premium quality, and a delightful experience with every bite.

VARNI MULTIFOODS TODAY

Varni Multifoods Is Already Having 1000+ Direct And Indirect, Employees Who Work Relentlessly To Achieve Our Purpose Of Nourishing The World In A Safe, Responsible And Sustainable Way. Every Day, We Connect Farmers With Markets, Customers With Ingredients, And People With The Food They Need To Thrive.

It Has Latest Innovative Equipments And Resources Which Include Plc Controlled Automatic Frying Line To Safeguard Effective And Efficient Production Control. It Also Has Continuous And Automatic Production Channel To Ensure Zero Human Contact To Preserve Its Sterility. International Parameters Are Strictly Adhering To Serve best quality.

VARNI MULTIFOODS TODAY (INTERNATIONAL TRADE)

To ensure best of service at all times and anticipating a favorable response, our organization has been ensured with U.S FDA Trading License, FSSAI and HALAL. So, now we are planning to expand our business internationally, as we want to spread our product's flavors and taste globally. As of now, we are having our footprints in USA, Africa, Australia, New Zealand, etc.
